

Report of meeting on 1/4/65 of Bd. of Directors  
of S. B. Community Center.

The regular annual meeting of all members of the Community Center will be held on Tuesday Feb 2nd. It will ~~be~~ be preceded with a picnic supper with members furnishing their own food and utensils. Coffee will be furnished and punch will be served beforehand.

A suggestion was made that a living Xmas tree 10 or 12 ft. high be planted in place of the usual annual temporary tree.

Permission from the property owner would be required and discussion developed that a tree from a nursery, properly planted and maintained, might cost up to \$100 or more. The Board referred the question to the five member groups for consideration and recommendation.
